Charting a course through global tax news and updates with information you can trust.

Knowledge Navigator is an online subscription service. Providing trusted up-to-date business critical information on tax, customs, excise, digital and environmental tax news, rates, rules and requirements around the world to help you maintain control, mitigate risk and improve the overall effectiveness of your tax function.

Contact your local PwC representative or the Knowledge Navigator Support Team (gbl_kn_support@pwc.com) for a free tailored demonstration of how Knowledge Navigator can benefit your tax function.

In a time when information is key and compliance is vital, Knowledge Navigator is an essential tool to help guide you through the complex world of indirect tax and reporting.

Our **News service** can be tailored to your targeted interests and delivered daily or weekly directly to you, providing timely updates on worldwide VAT/GST and customs duty developments.

Our **GlobeSearch module** provides access to comprehensive, business critical information on VAT/GST rates, rules and requirements in over 80 countries across six continents, giving you coverage of the most relevant indirect tax updates in all its key territories.

Our **Tools section** provides subscribers with access to a range of **research modules** designed to assist with the analysis of the legislation, **case law** and the dissection and visualisation of transactional data.

Compliance modules are also available which cover a range of **online forms**, guides and tools designed to make compliance and reporting easier, thus improving productivity.

These services combined with a **global network** of over 130 specialists will help you to stay current on new developments, mitigate risks and improve the overall effectiveness of your VAT/GST function.

Knowledge Navigator has three subscription levels:

Standard

Single user: 2,000 GBP

**Multi-user (up to 25 users):
4,000 GBP**
